Durrington High School is part of Durrington Multi Academy Trust (DMAT) and is a large and oversubscribed school with 1650 students on roll in years 7 to 11. Within the Durrington Multi Academy Trust, we place high regard on recruiting and retaining excellent staff to ensure all students achieve beyond their best. Durrington High School has a sustained track record of improvement for over a decade and we want to continue getting better. We are proud of our school and are always relentless in our efforts to give our students the very best education they deserve.

As a member of our team, you will be passionate about contributing your skills to ensure all our young adults receiving the best possible education. A very experienced and successful leadership team ensures that the school is well-managed and staff are supported. We have an excellent record of retaining staff; due to strong relationships, and many development opportunities. Appointed as one of only twenty two research schools nationally for September 2017, this will enhance further the opportunities for all who work with us.

If you feel that you can bring something special to our school and Trust, we want to hear from you now!
