

Durrington High School Equality and Diversity information and objectives

Durrington High School as part of Durrington Multi Academy Trust respects and embraces the diversity within our community. We are committed to an environment which ensures that all students and adults are treated with dignity and respect. We seek to provide a positive learning and working environment, free from discrimination, harassment or victimisation.

Durrington Multi Academy Trust is an Equal Opportunities Employer and welcomes applicants from all groups.

For us **'equality'** is about opportunity, access, participation and contribution on a fair and equal footing and providing a framework for this to happen. The term **'diversity'** acknowledges there are differences between people and the school values and respects the variety of backgrounds, perspectives, values and beliefs of each individual.

This is regardless of race, ethnicity, religion, nationality, cultural background, disabilities, gender, sexual orientation, social economic factors or age. We promote positive action to ensure that all students and staff are enabled to make the most of their abilities and qualities.

Legal setting

The Equality Act 2010 introduced a single Public Sector Equality Duty (PSED)(sometimes also referred to as the 'general duty') that applies to public bodies, including maintained schools and academies, and which extends to all protected characteristics – race, disability, sex, age, religion or belief, sexual orientation, pregnancy and maternity and gender reassignment. This combined equality duty came into effect in April, 2011. It has three main elements. In carrying out its functions, Durrington High School will have due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Act,

- Advance equality of opportunity between people who share a protected characteristic and people who do not share it,
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it.

(Where schools are concerned, age will be a relevant characteristic in considering their duties in their role as an employer but not in relation to students).

To fulfil our specific duties under the law we will:

- a) Publish information on our website to demonstrate how we are complying with the Public Sector Equality Duty.**
- b) Prepare and publish equality objectives.**

The purpose of our Equality and Diversity information is to ensure that, in everything we do, the school and Trust promotes diversity and equality of opportunity, eliminates discrimination, and brings about positive change for those experiencing disadvantage. It is attached to provide a framework for good practice in developing equality of opportunity and access both within the school, its school workforce and the wider community.

The **general aims** of the Trust and all schools within the Trust are to:

- Promote good practice in equality of opportunity in the organisation's activities;
- Ensure that the organisation's commitment to equality is widely known, understood and communicated.

The **specific** aims of the Trust and all schools within the Trust are to work with our students, employees, students, parents, contractors and key stakeholders:

- **as a school**, to provide an outstanding education which meets the needs of all our students and enables all to achieve success;
- **as an employer**, to have a workforce which is representative of the community we serve; to value and use the diversity of its staff; to strive to be a place where people want to work; to be a leader in good practice in this area; to ensure fair treatment and equality of opportunity for all and to recruit the best person for the job based on careful analysis of job requirements and performance.
- **as a community leader**, to champion equality of opportunity, challenge racism and all forms of discrimination and contribute to making the local community a place where people live together safely in peace, respect and friendship;
- **as a major procurer and commissioner of services**, to use our spending power wherever possible to influence other organisations in promoting equality of opportunity.

Durrington Multi Academy Trust and Durrington High School undertakes to:

- meet its legal obligations under relevant legislation;
- treat everyone fairly and with respect for their culture, values and beliefs;
- operate in an open and accountable fashion;
- encourage and enable the involvement of people in decisions which affect them.

We also value diversity and recognise the varied contributions that a diverse workforce brings to an organisation; we are committed to drawing on different perspectives and experiences of individuals which will add value to what we do. Employer duties

As an employer we will ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.

We aim to ensure that no job applicant suffers discrimination because of any of the protected characteristics. Our recruitment procedures are reviewed regularly to ensure that individuals are treated on the basis of their relevant skills and abilities. Job selection criteria are regularly reviewed to ensure that they are relevant to the job. Short listing of applicants should be done by more than one person wherever possible.

Job advertisements should avoid stereotyping or using wording that may discourage groups with a particular protected characteristic from applying. We will take reasonable steps to ensure that our vacancies are advertised to a diverse labour market.

Applicants will not be asked about health or disability before a job offer is made, other than where it is necessary to;

- (a) establish if an applicant can perform an intrinsic part of the job (subject to any reasonable adjustments).
- (b) establish if any reasonable adjustments need to be made to enable an applicant to have a fair interview or assessment.
- (c) carry out equal opportunities monitoring (which will not form part of the decision-making process).

Applicants will not be asked about past or current pregnancy or future intentions related to pregnancy. Applicants will not be asked about matters concerning age, race, religion or belief, sexual orientation, or gender reassignment.

We are required by law to ensure that all employees are entitled to work in the UK. Assumptions about immigration status should not be made based on appearance, name or apparent nationality. All prospective employees, regardless of nationality, must be able to produce original specified documents before employment starts to satisfy current immigration legislation.

During Employment

Employees are required to disclose any convictions received during their employment, where it is relevant to the job or may impact on their ability to undertake their roles. Each case will be reviewed on an individual basis by taking into consideration the role and responsibilities of the post holder, the nature of the conviction and the potential impact on the ability to undertake the role and impact on the school.

Discrimination against people with dependents/caring responsibilities

We will ensure that our employment practices prohibit unfair discrimination against people with dependents/ caring responsibilities in: promotion or career progression; recruitment and selection; redundancy; retirement; support systems; training and development. To facilitate the above the school offers, where practicable and manageable within the requirements and duties of the school/business, a number of 'work-life balance' initiatives open to all employees: details are set out in the leave policies/guidance.

Training

We are committed to valuing and supporting our employees to realise their full potential and creating a diverse workforce that broadly reflects the community in which we operate. Our commitment to families and employees is one of continuous development through training and awareness raising helping to make this policy fully effective.

Actions to ensure this commitment is met include:

Our Governing Body has overall responsibility for ensuring compliance with equality legislation. Day-to-day operational responsibility including regular review of this information, has been delegated to the Headteacher.

All senior leaders must set an appropriate standard of behaviour, lead by example and ensure that those they manage adhere to the policy and promote our aims and objectives with regard to equal opportunities. Senior leaders will be given appropriate training on equal opportunities awareness, and recruitment and selection best practice.

All employees have a duty to act in accordance with this policy and not to discriminate against or harass other employees, treating them with dignity at all times. They should also apply this to how they treat members of the public in the provision of services and should support the School and Trust in meeting its commitment to provide equal opportunities for all and promoting diversity in the workplace.

Tackling discrimination

Harassment on account of race, gender, disability, social economic factors or sexual orientation is unacceptable and is not tolerated within the school environment. All staff are expected to deal with any discriminatory incidents that may occur. They are expected to know how to identify and challenge prejudice and stereotyping; and to support the full range of diverse needs according to a student's individual circumstances. Racist and homophobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present, escalating to senior staff through school systems. All incidents are reported to the Headteacher/Deputy Headteachers. Racist incidents are reported termly to the governors and reported to West Sussex.
