

Subject: PE

Curriculum content covered in Year 7

Students participate in a wide range of activities and are given feedback and targets by teaching staff or peers to help improve their performance within every lesson. Students are expected to use this feedback to further challenge themselves and either work hard to acquire new skills, improve existing skills or develop routine/gameplay or tactics within the taught activity.

Activity units are 6 lessons blocks and students are taught within their tutor groups (with the exception of Rugby)

Students are expected to begin to know some basic GCSE PE and Dance terminology.

The activities covered throughout KS3 include: football, basketball, netball, rugby, volleyball, hockey, table tennis, athletics, gymnastics, dance, tennis, rounders, athletics and fitness.

Students are expected to work in teams and as an individual, completing all tasks to the very best of their ability.

All students are expected to bring correct PE kit to every lesson.

Curriculum content covered in Year 8

Students participate in a wide range of activities and are given feedback and targets by teaching staff or peers to help improve their performance within every lesson. Students are expected to use this feedback to further challenge themselves and either work hard to acquire new skills, improve existing skills or develop routine/gameplay or tactics within the taught activity.

Activity units are 6 lessons blocks and students are taught within mixed gender groups (with the exception of Rugby).

Students are expected to embed and be confident in discussing or answering questions about some basic GCSE PE and Dance terminology. Students should be able to verbally link this terminology to a range of sporting activities.

The activities covered throughout KS3 include: football, basketball, netball,

rugby, volleyball, hockey, table tennis, athletics, gymnastics, dance, tennis, rounders, athletics and fitness.

Students are expected to work in teams and as an individual, completing all tasks to the very best of their ability.

All students are expected to bring correct PE kit to every lesson.

Curriculum content covered in Year 9

Students participate in a more refined range of activities that have been targeted to suit each class. There will be some activity pathways for selected groups that will allow a smooth transition into GCSE PE and Dance. Students are expected to work hard to acquire new skills, improve existing skills or develop routine/gameplay or tactics within the taught activity.

Activity units are 8 lessons blocks and students are taught within single sex groups.

The activities covered throughout KS3 include: football, basketball, netball, rugby, volleyball, hockey, table tennis, athletics, gymnastics, dance, tennis, rounders, athletics and fitness.

Students are expected to work in teams and as an individual, completing all tasks to the very best of their ability.

All students are expected to bring correct PE kit to every lesson.
