September 2017

Dear Parent / Carer

Year 11 Careers Fair – Monday 25th September 2016, 6pm to 8pm

We are pleased to invite you along with your son/daughter to attend this event which aims to focus on the next stage of your child's education.

This is an exciting opportunity for students to find out more information from employers, apprenticeship and education providers. We have over 30 specialists attending with prospectuses about the qualifications they will need to access further education or a particular profession.

The event will commence with a presentation in the hall at 6.00pm, followed by your chance to speak to representatives who will provide valuable guidance on the different pathways.

Our commitment to providing our students with opportunities to raise aspirations, develop employability skills and make informed choices is key. Please reinforce our advice that your son/daughter should take advantage of this large gathering of experts given the importance of the decisions they will need to make for post 16 choices and career pathways.

The schools careers team provide all students with one to one interviews, providing information advice and guidance. Parent/carers can also access this information; the team will be available during the event to answer any questions. We look forward to welcoming you.

Yours sincerely

**Mrs K Jefford RCDP
Careers Leader & Community Manager**
