

Dear Parent / Carer

Charity Concert – Safe In Sussex

We are delighted to inform you of an upcoming Charity Concert taking place at Durrington High School in aid of the Worthing based Charity 'Safe In Sussex'. Worthing Women's aid was set up in 1977 to provide refuge accommodation for women and their children who were subjected to domestic abuse. Now known as 'Safe in Sussex', they have accommodation for up to 12 families, the refuges are a place where women and their children can feel safe and be given the vital support they need, both practical and emotional. They provide an escape route from violence and the chance to seek alternatives to a life of isolation, fear and danger. They offer children's support services for all the children at the refuge to help them come to terms with their experiences. Additionally, they also deliver educational programmes for young people through schools, whether or not they have experienced domestic abuse personally. These look at issues of healthy relationships and domestic abuse awareness.

The concert will take place on Wednesday 7 February in the main hall at 6:30pm. We will have performances from the choir, a cappella group, chamber ensemble and Year 10 and 11 original compositions and performances.

Tickets are now on sale priced at £3 and all money raised will go directly to this worthwhile charity. Please complete the reply slip attached and return to the finance office.

We have some fantastic performers at Durrington therefore we appreciate your support in making this evening successful.

Yours sincerely

Miss B Maughan
