

Information for Year 11 parents and carers

Dear Parent / Carer

Our Year 11 students demonstrated outstanding commitment to their mock examinations during the lead-up to Christmas. The results from these examinations will be issued to the students in a special mock results' assembly on Monday 15 January. This event marks the beginning of their final preparations for their GCSE exams in the summer. You will receive a progress report in the coming weeks detailing your child's examination results.

We will be holding a Parents' Evening on Wednesday 31 January, which will be an important opportunity for you to discuss with subject staff what needs to be done to ensure your child's success in the summer examinations. I will write to you again nearer the time with details of the evening but wanted to ensure that you had the date ready for your new calendar.

Substantial support will be available beyond the classroom for our students this term. To support students' management of their time, we have created a two-week after-school timetable of study sessions available to students. This is shown below and commences from Monday 8 January. This timetable will also be distributed to students as a fridge magnet for you to have at home.

Week 1			
Monday	French & Spanish	Art	
Tuesday	English		
Wednesday	Maths		
Thursday	Dance	History	Drama
Friday	Science		
After school revision sessions this week			

Week 2			
Monday	Media	PE	ICT
Tuesday	English		
Wednesday	Maths		
Thursday	Science		
Friday	Music	Product Design	Geography
After school revision sessions this week			

We look forward to continuing to work with you and to help your children achieve their potential.

Yours sincerely

Mr C Runeckles
Senior Leader - Teaching and Learning
