

Dear Parent / Carer

**Year 7 – 23 January 2018**

Welcome back and a happy new year to you all.

As you know, this is a short half term and there is a lot going on as usual. One of the key dates for our year 7s is the parent/carer evening on 23 January.

This is the first opportunity for you to talk to your child's subject teachers, share successes and look forward to the progress which will be made this year. As always, we expect the attendance to be well over 95% again. It is therefore really important that you make your appointments as soon as possible.

Should you have any problems booking, please check the instructions or contact your child's company leader/pastoral manager.

We look forward to seeing you all on the 23 January.

Yours sincerely

**Mrs N Bridgeman-Sweeney**  
**Assistant Headteacher**
