

Dear Parent / Carer

Year 9 music taster session

The year 9 options are approaching and the performing arts department would like to give all year 9 students the opportunity to experience a taster session in music before they make their option choices. The taster session will include composition tasks and information about the performance, listening and appraising exam. The taster session will be supported by year 10 music students who will be giving help and support and will be able to answer questions about music GCSE from a student's perspective.

I would like to encourage your child to take up this opportunity to experience what the music GCSE will be like to enable them to make the right choice for their options.

Please indicate your child's attendance to the taster session on Monday 26th February from 3.15pm -5pm and return your reply slip to Miss Maughan or Mr Dean.

Yours sincerely

Miss Maughan & Mr Dean
