

9th July 2018

Dear Parents / Carers

Due to the extreme temperatures that we are currently experiencing, we have adapted the school expectations regarding uniform for this week. From Tuesday 10th July 2018, students will have the option of wearing their school uniform or their DHS PE Kit to school. Whilst blazers are not required for this week, students are still expected to wear their uniform according to our uniform policy. Where students opt to wear PE kit, this must be again in accordance with the school policy. By adapting our expectations, this will ensure that our students can focus on their learning in their lessons and be as comfortable as possible during social times. We will review the forecast on Friday and inform you of the arrangements for next week.

Yours sincerely

Mr J Fuller
Assistant Headteacher
