September 2018

Dear Parent / Carer

Year 11 Careers Fair

We are delighted to invite you to our careers evening which aims to help your son/daughter make an informed decision on which route to take after leaving Durrington High School.

Monday 24th September 2018

6pm - 8pm

Durrington High School

A wide range of providers have been invited who offer vocational courses, apprenticeships, college courses, Universities along with local employers and training providers. They will speak with the students about the qualifications they need to access their course/s or particular profession and what their job entails. We also have former students attending to talk about their A levels and life as an apprentice.

The evening will commence with a presentation to students and parent/carers in the hall at 6.00pm, an Apprenticeship talk at 6.30 pm followed by the opportunity to speak to our invited employers and educational partners.

All students are expected to stay in some form of education or training until they are 18. This event will provide them with the options available when they have finished their GCSEs.

The future of your child is very important to us, as I am sure it is to you too. We would encourage you to have a conversation with your son/daughter both before and after this event and start the process of thinking about life post 16. This will help us to work together in tailoring effective careers information advice and guidance to meet the needs of your child.

My colleagues and I are here to provide support to ensure the transition from secondary runs as smoothly as possible. We look forward to welcoming you to this event.

Yours sincerely

Mrs K Jefford
Careers Leader
Community & Enterprise Manager
