Dear Student (and your Parent/Carer)

‘Race for Life’ – Sunday 17 June 2018
You are now part of something amazing. Congratulations you are in the DHS team!

Incredible we have 310 amazing individuals who will all be taking part in the Race for Life. We will all be meeting as one big team for an assembly on Friday 15th June 2018 where you will receive your Durrington team t-shirt and get a final race briefing. It is really important you are there AND you share this letter with your parent/carer.

The details:

Time/Date: **Sunday 17 June**
 Year 9 and 10-9.45 am meet for 11am start
 Year 8-9.55am meet for 11am start
 Year 7-10.05am meet for 11am start

Location: Worthing Sea Front meeting point being Steyne Gardens, Worthing, BN11 3DW

What to bring: You **must** wear your Durrington Team T - Shirt
 Please bring water with you. It was extremely hot last year
 Safety Pins to attach your race number

Emergency medication (if you need it):
 Individual students are responsible for bringing with them any emergency medication they may need and must keep this on their person during the entire event. DHS staff will hold medical forms centrally and have an emergency phone number set up (number below). As well as this St Johns Ambulance staff will be on duty supporting the event.

On the day: The school will have its own sign (by a school minibus) in an area in Steyne Gardens.
 You must sign in & out here when you arrive and leave. When you sign in you will be given your race number which you will need to wear in order to take part.
 At the sign in area there will be a Durrington High School bag drop (please note we aren't responsible for any valuables e.g. phones or money left)

Please be clear that once the students have signed out and collected any bags they will be parent/carers responsibility (they can either be picked up or make their own way home). Please complete the reply slip below to advise us whether your daughter is making her own way home or you will be collecting her. Our **emergency** contact number for the day (should students or parents/carers need it is **07510145594**).
