

STM/kla
4 January 2019

Dear Parent / Carer

Our Year 11 students demonstrated outstanding commitment to their mock examinations during the lead-up to Christmas. The results from these examinations will be issued to the students in a special mock results' assembly on Monday 21 January. This event marks the beginning of their final preparations for their GCSE exams in the summer.

We will be holding a Parents' Evening on Thursday 24 January, which will be an important opportunity for you to discuss with subject staff what needs to be done to ensure your child's success in the summer examinations. I will write to you again nearer the time with details of the evening but wanted to ensure that you had the date ready for your new calendar.

Substantial support will continue beyond the classroom for our students this term. To support students' management of their time, we have created a two-week after-school timetable of Master class sessions available to students. This is shown below and will recommence from Monday 7 January.

| Week 1 | | | |
|--|------------------|-------------------|----------------------------------|
| Monday | French & Spanish | Art | Dance |
| Tuesday | English | | |
| Wednesday | History | Drama | Music |
| Thursday | Maths | | |
| Friday | Science | | |
| After school revision sessions this week | | | |
| Week 2 | | | |
| Monday | Media | PE | Business, Computer Science, CIDA |
| Tuesday | English | | |
| Wednesday | Science | Music | |
| Thursday | Maths | | |
| Friday | Geography | Design technology | |
| After school revision sessions this week | | | |

We look forward to continuing to work with you and to help your children achieve their potential.

Yours sincerely

Mrs S Temple
Associate Assistant Head Teacher
