20 September 2018

Dear Parent / Carer

Year 10 parents' GCSE support evening – Thursday 11 October from 6pm to 7.15pm

We are delighted to invite you to the first of our Key Stage 4 parents' support evenings.

Your child will be settled into their GCSE courses by now and we are keen that you are well equipped to support them and keep them on track throughout the next two years.

The evening will include presentations on:

- The three core subjects (English, maths and science).
- The key methods of assessment that your child will undertake through the courses.
- Important changes in the GCSE grading system.
- Strategies for effective learning and suggestions on how to support your child with their studies.

Please be aware this evening is not an opportunity to discuss individual progress of students.

If you wish to attend this evening please return the reply slip to Mrs Edwards via main reception by Friday 5 October at the latest or email ledwards4@durring.com.

We look forward to seeing you on the evening.

Yours sincerely

Ms F Haynes

Assistant Director of Research School / Associate Assistant Headteacher
