

## **DHS win the U15 County Futsal Football County Tournament**

On Tuesday 5<sup>th</sup> February DHS entered the U15 County competition for Futsal, an indoor 5-a-side game played with a heavier ball and smaller goals than the more traditional game of football. This forces the players to have a fantastic first touch and also allows players to play with flair. This was the first time DHS had entered the competition and they were delighted to win it.

In the one day round-robin competition they played 3 matches, beating The Causeway 8-2, Tanbridge House 2-1 and drawing 1-1 with Cardinal Newman, giving them enough points to win the tournament. They played really well as a team and showed skill and determination in all 3 matches and were worthy champions.

Amelia Lovelock played a great tournament as the goal keeper conceding just 4 goals across the 3 games. Grace Watkins also played amazingly, scoring an impressive 5 goals overall. The player of the day was awarded to Katelon Goldsmith who scored an incredible 7 goals and was a constant thorn in the side of the opposition, a fantastic achievement.

Well done girls, a great win!
