

14th February 2020

Dear parents/carers

It's the senior student leadership team here. We are delighted (but also a bit sad) to let you know that we are opening the application process for our successors today.

We are really keen for a great group of year 10 to carry on our work from this year. Please speak to your son/daughter about applying. One thing we have learnt this year is it is all about being a team and working together to achieve success.

We attach the application form (your son/daughter can also get this from Connect). We have delivered a presentation to all of year 10 in assembly this morning but wanted to let you know too so you can encourage your son/daughter to get involved.

We are proud of what we have achieved this year but need a fantastic team to take this on.

Thank you in advance for reading our email and your support this year...

The Durrington High School Senior student leadership team
