

Dear Parents/Carers,

Adapted timings from Monday 21 September 2020

Thank you for your continued support; reminding your child to pack their sanitiser and tissues has helped this week. As you have been doing, please discuss the changes below with your child/children.

Our students are responding so well to the additional systems and routines we have put in place to minimise the risk of infection that we have been able to move to these new timings sooner than anticipated. It remains essential though that there is strict adherence to the year group 'bubble' timings, entrances and other measures.

	Arrival Time (entrance point)	Finish Time
Year 7	8:40am (via Pavilion doors)	3:00pm
Year 8	8:40am (via Science or back of Drama doors)	3:00pm
Year 9	9:00am (via back of Drama doors)	3:05pm
Year 10	8:50am (via Science or back of Drama doors)	3:05pm
Year 11	8:50am (via side English doors)	3:10pm

We have also worked to further minimise some in-day transitions which will be shared with students.

We will continue to keep you up-dated and wish you a lovely weekend.

Yours sincerely

Ms S Marooney
Executive Headteacher / CEO DMAT
Durrington High School and DMAT
