

## **Durrington Multi Academy Trust Publication Scheme on information available under the Freedom of Information Act 2000**

The Freedom of Information Act 2000 (FOIA) provides public access to information held by public authorities.

FOIA and EIR promote openness and transparency.

Information is provided in two ways:

It is mandatory to publish certain information (publication scheme); and  
Any person is entitled to request information which subject to the application of any exemptions must be provided free of charge.

The Act does not give people access to their own personal data. Subject Access Requests are dealt with in accordance with the Data Protection Policy.

### **Aim**

This Policy will ensure the Trust complies with its duties under the FOIA and EIR and handles requests under the correct regime.

The Trust has a system in place which will result in proactive publication of what information is available.

Any person knows they can make a request and who to contact.

All appropriate staff will be able to recognise and respond appropriately to a valid request for information.

That there is awareness amongst staff, contractors or others having contact with the School that the duties under FOIA and EIR may impact on the ability to guarantee confidentiality of information

### **Scope**

This Policy applies to all recorded information held by the Trust and schools within the Trust or by a third party on the Trust behalf.

Recorded information includes printed documents, computer files, letters, emails, photographs, and sound or video recordings.

Advice and assistance is provided to the requestor if required.

Responses will be provided promptly and within the statutory time limit of 20 School days. A 'School' day will be any day on which there is a session and the pupils are in attendance. In the alternative the School will respond within 60 working days if that is shorter.

Information will only be withheld in accordance with the exemptions specified by legislation. The reasons for applying the exemption will be provided to the requester.

Care will be taken to ensure that personal data is not unlawfully disclosed in response to a request for information made under FOIA or EIR.

Information provided to the Trust and schools within the Trust from third parties may be the subject of a request for information. In considering whether exemptions apply, the Trust will seek to consult with the third party but the legal responsibility for deciding whether or not the information should be released rests with the Trust.

Any requests for internal reviews will be dealt with in accordance with the Trusts Complaint Policy and will be responded to within twenty school days as recommended by the Information Commissioner.

If the Trust's original decision is upheld, then the Trust has a duty to inform the complainant of their right to appeal to the Information Commissioner's Office.
