

Durrington High School - Tariff Increase Information...

Harrison Catering has always been committed to delivering a wide range of delicious dishes to encourage balanced meal choices that are full of flavour. Our expert catering teams work closely with our suppliers to select the best produce which satisfy our school's needs. This encourages increased competition between our suppliers on price and service, allowing us to continue to offer quality produce at a great prices.

However, as you may be aware, food inflation is currently running at an unprecedented level. We expect it to continue rising, this is due to several well publicised factors such as Brexit and its effect on the currency exchange rate; the COVID19 pandemic; food shortages and the increase in the living wage.

Durrington High School - How will this affect you?

As a result, some of our individual tariff prices will increase by 3%. The hot *Meal Deal* will increase to £2.34. We have looked at our overall tariff to ensure this price is fair, without compromising on quality.

A full tariff list can be found under the Catering section on the Durrington High School website at www.durringtonhighschool.co.uk/catering

We will continue to introduce promotional offers and new seasonal items, these will broaden our menu, offering students new and exciting choices. As ever great quality food and value for money will be at the centre of our offer. In the event that we find our supply costs reducing, we will incorporate this into our offer to add value. We can confirm there will be no further increases in the 2021-22 academic year, and the tariffs displayed will remain in place all year.

ABOUT YOUR CATERING SERVICE

The catering service at Durrington High School is provided by Harrison Catering Services, an independent, family-owned company founded in 1994. Our aim is to encourage students to make healthier food choices at a young age, which will positively influence them throughout their life. Our approach, where ever possible, is to use quality, sustainably-sourced, seasonal food including ingredients, such as British free-range eggs, and fresh, British-sourced meat and poultry.

YOUR FEEDBACK

We welcome and value all feedback on the catering service. We regularly review our offer to continue to provide a positive dining experience for all students. If you have any comments or suggestions, please refer these to our Catering Manager.
