

National Apprenticeship Week Resources

This week is National Apprenticeship Week. At DHS we inform all students about apprenticeships and support those who want to pursue them as a pathway. Y10 will be hearing more in May and we will be offering additional support to those in Y11 who have indicated that they have an interest over the coming months.

We would like to highlight some resources and events that are taking place over the week that you or your child may want to connect with to explore apprenticeships as a post 16 option.

[Amazing Apprenticeships](#) - **All Week** - Lots of parent focussed resources - They have a fantastic [downloadable parents guide](#)

[Get Careers Confident](#) - **All Week** - Video resources aimed at students and parents

[Government Website](#) - **All Week** - National resources and event listings - Students can search live job listings there as well

[Worthing Youth Employment Hub](#) - **All Week** - Our local hub in town are running events that parents can attend

[Get to know Apprenticeships](#) - **Monday** - Online hosted by Chichester College - One of our key partners. [Book here](#)

[Google Parents Seminar](#) - **Wednesday** - An online event for those whose child may be interested in a tech apprenticeship

You can also find 2 apprenticeship session recordings that took place last year. One is an [information event](#) and one is an [application workshop](#). All the information in these remains relevant to those seeking apprenticeships this year or next.

If you would like support or have any questions for the careers team please send an email to careers@durring.com. Further contact details are on the [careers page](#) of the website.
