

BREAKFAST

A close-up photograph of a breakfast meal. The main focus is three large, golden-brown grilled sausages with distinct char marks, arranged diagonally across the center. To the right, there is a portion of baked beans in a rich, dark sauce. In the foreground, several slices of red tomatoes are grilled, showing blackened edges. In the background, a sunny-side-up fried egg is visible, garnished with fresh green herbs. The entire meal is presented on a white plate, which is set against a solid teal background.
