

Primary School Placements

To help ease the load on primary schools please can we ask that if your child wants a place at any of the schools below that they write a short application letter (100-150 words) giving the reasons that they would like to go there to gain work experience. Students should only apply to primary schools if they are curious about working with young people in the future.

The letter should include...

- Students name
- Students school of choice from the list below *if they have one*
- If they are willing to be placed at another school should their preference be full

Durrington Infant & Junior School | Eastbrook Primary Academy | Laurels Primary School

Elm Grove Primary School | Thomas A Becket Infant School | Thomas A Becket Junior School

Goring C of E Primary School

The letter can be written or typed and should be handed in to careers or posted through the careers letterbox outside careers by **Monday 18th July**. We will notify you by the end of term if a placement has been approved.

Schools not on the above list can be approached independently
