

Durrington Partnership Programme for families

Summer term 2024

Welcome to our Durrington High School Partnership Programme for families (DPP).

Our DPP aims to create stronger opportunities for school and home to work together, offer support and signposting for families with regards to learning and wellbeing as well as providing more opportunities to gather family voice. If you wish to attend any of our events, please use the links under each heading to confirm your attendance.

We know that working together will help all of our students go beyond their best. We are stronger when working together.

Durrington High School

Going Beyond Our Best through Kindness, Aspiration, Perseverance and Pride

2nd May 2024
