# Homework

The evidence basis behind homework setting suggest that the amount of homework set is not directly linked to positive outcomes. The benefits of homework are dependent on the quality of homework set, feedback students receive on this and the quality of homework completion by students.

## Year 7 and 8:

- Students will receive homework in core subjects (Mathematic, English and Science) once per fortnight (equating to approximately to 45 minutes of work per piece)
- To support students in developing strong study routines core homework will be set on a fortnightly timetable as outlined below:

Week A	Tuesday Week A	Wednesday Week A	Thursday Week A	Friday Week A
Maths Year 8 Set and Due	Science Year 7 Set and Due			English Year 8 Due and Set
Monday Week B	Tuesday Week B	Wednesday Week B	Thursday Week B	Friday Week B
	Maths Year 7 set and due	Science Year 8 set and due	English year 7 set and due	

- Other subjects (not including Drama and PE) will set homework twice per half term.

# KAPP

Our 4 key principles of KAPP are constantly demonstrated by our students.

These stand for;

Students begin with the bronze award aiming to earn the 4 KAPP badges. This results in the seahorse, the ultimate accolade of recognition. Once they have the bronze seahorse, students work towards silver, then gold, followed by platinum!
