

Primary school placements

Placements at primary schools are very popular but are only suited to those who are interested in the possibility of working with children in the future. Due to the number of our students who go to primary settings, we are managing work experience placements for the following schools.

Durrington Infant & Junior School | Eastbrook Primary Academy | Thomas A Becket Infant School

Thomas A Becket Junior School | Goring Primary School | Laurels Primary School

If your child is **interested in working with children** and would like to request a place at any of these schools, please can they write a short application letter (100-150 words) giving the reasons that they would like to go. It should include their name, their school of choice (if they have one) and if they would be willing to work in another school if needed.

The letter can be hand-written or typed and should be delivered to careers by **Friday 26th Sep**. We will notify students within 1 week if a placement has been approved.

Primary Schools not on the list above can be approached independently
