

Post 16 – What next? - Choices

September 2025

Please go through this pack with your parents or carers. It will be sent home via Arbor and made available on the careers page of the school website. Use the online version for links.

Welcome To Your Future

This is your starting point for planning your life after Year 11. Mr Henry and the Careers Team are here to support you as you explore your options, make informed decisions, and put your plans into action.

This pack will guide you and give you important information. We encourage you to read it carefully with your family, and to join us at the Careers Evening on 25th September. Be ready to explore your options and ask questions. Additional resources will be shared and made available on the school website.

It is important that you and your family know how to access support throughout this year. You can visit the Careers Library (at the end of the first-floor Art corridor) during break times or after school. Alternatively, you can email us at careers@durring.com

In this pack you will find the following

Post 16 Application Timeline – Key dates, the actions you need to take and other useful information. You should display this somewhere prominent at home. **Always know where you are on the timeline.**

Post 16 Choices FAQ – Answers the most common questions about the post 16 process.

Pathways & Ideas Guides – Use to learn about the pathway options and explore ideas

Destination Open Event List – A list of *currently published* open events. It is important that you visit all the destinations you are considering so that you can make well-informed choices. Please note that some events require advance registration so always check the provider's website for full details before attending.

An Apprenticeship Guide – *Digital link* – For those interested in getting straight to work after Year 11 please explore [the information here](#). Mr Henry is keen to support students directly who favour this pathway.

What Next Guides – *Digital link* - [Go here](#). Booklets helping young people and their families make good choices. Physical copies should be available at Careers Evening on 25th September.

- All students, parents and carers should contact the careers team with any questions
- The careers team can help students complete their applications if needed
- Our Careers platform [Xello](#) is available for to research jobs and pathways
