

Primary Schools, Worthing Library & Guild Care Shops

Placements at primary schools are very popular but are only suited to those who are interested in the possibility of working with children in the future. Due to the number of our students who go to primary settings, we are managing work experience placements for the following schools.

Durrington Infant & Junior School | Eastbrook Primary Academy | Thomas A Becket Infant School

Thomas A Becket Junior School | Laurels Primary School

If you are **interested in working with children** and would like to request a place at any of the above schools, please write a short application letter (100-150 words) giving the reasons you would like to go. It should include your name, your school of choice (if you have one) and if you would be willing to work in another school if needed.

The letter can be hand-written or typed and should be delivered to the Careers Library by **Friday 25 September 2026**. We will notify students within one week if a placement can be offered.

**Primary Schools not on the list above can
be approached independently**

**The school is also managing places at all
Guild Care Charity Shops & Worthing
Library – The Careers team will speak to
suitable students about these
opportunities**
