

Durrington Partnership Programme for families

2026 / 2027

Welcome to the Durrington Partnership Programme for families

At Durrington, we know education is strongest when schools and families work together. The relationships we build with parents and carers are central to helping our students thrive, achieve and feel a true sense of belonging. This is why we are proud to introduce our Durrington Partnership Programme for Families (DPP), a series of events designed to strengthen the connection between home and school.

When families are engaged in their child's education, young people attend more regularly, feel more confident and achieve better outcomes. Strong partnerships also help us understand each child as an individual. By sharing experiences, celebrating successes and working through challenges together, we can ensure every student goes beyond their best.

Throughout the year, the DPP offers a range of opportunities for families to connect with school life — from information evenings and consultation events to performances, celebrations and community gatherings. These are not just dates in the calendar; they are moments to learn together, share ideas and celebrate our young people.

We know families lead busy lives, and we are genuinely grateful for the time you give to engaging with school. Your support and involvement make a significant difference. We value your voice, welcome your feedback and look forward to working alongside you as partners in helping every child flourish.

Together, we are stronger — and together, we can ensure every student continues Going Beyond Our Best through Kindness, Aspiration, Perseverance and Pride.

Durrington High School

Who - Year 11
parents/carers and
students

Year 11 celebration evening.

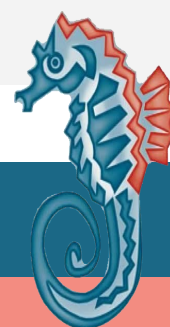

Year 10 was a successful year for our current year 11 students and we wish to celebrate that with as many students as possible. This invite only event will give these students the recognition they deserve.

DHS- weekend musical.

Our performing arts team are incredible and so are the students that participate in events. One of their highlights is learning a musical in one weekend and then performing it on a Sunday evening. We would love to see as many people there as possible.

Year 11 mock support evening.

Year 11 mocks are an important time for students. Join Miss Temple and Mr Atkins as they take you through the best methods to help your year 11 child be as successful as possible.

students

The Pride of Durrington awards.

Our flagship celebration evening is our chance to celebrate all of our students that have truly gone beyond their best this year. Those lucky enough to win awards will be invited to the ceremony.

KS3 English achievement awards.

English is a key subject in school and we want to celebrate with you the students who have performed to their best. This is an invite only event.

Year 10 colour run.

Our year 10 students will be entering their final year of school and what better way to celebrate this than with a colour run. We want to see as many year 10 students as possible at the event.
